

Ages and Stages Questionnaire and ASQ Social-Emotional Screening Tool Implementation

Register at:

<https://www.surveymonkey.com/r/ASQ-SISQ>

For questions,
and to register by phone,
please contact First 5 Siskiyou
at 918-7222.

ASQ & ASQ-SE are parent-completed tools designed to screen the development and social-emotional behaviors of children between the ages of 1 month and 6 years.

DECEMBER 4th & 5th

Introduction and Implementation of ASQ-SE Screening Tools

Parents, caregivers, health/mental health and social services providers, teachers, early childhood educators, and community members will learn how to use the tool and other interactive activities intended to enhance learning.

DECEMBER 4th - 6th

ASQ-SE Trainer of Trainers

Learn how to provide training on these tools to others and increase understanding about the importance of early screenings as a preventative tool.

Designed for those with intermediate and advanced skills in working with & teaching adults. Successful completion of this 3-day training will authorize you to train staff within your organization, medical office, and/or community.

LOCATION:

Miner's Inn Convention Center
122 E. Miner Street, Yreka

9:00 - 4:00pm each day
Doors open at 8:30am

**Continental breakfast and lunch
are provided!**

Free of charge to participants.

About the Trainer:

LIZ TWOMBLY, MS

SENIOR RESEARCHER AT
THE UNIVERSITY OF OREGON'S
EARLY INTERVENTION PROGRAM

For the past 20 years, Ms. Twombly has been involved in research and development of these screening tools. She is a contributing author on the ASQ-3, and a lead author on the ASQ:SE-2, ASQ-3 Learning Activities and ASQ:SE-2 Learning Activities and More.

Ms. Twombly has provided national and international training and technical assistance on the development of effective screening systems and the use of parent-completed developmental and social-emotional screening tools.
