This research-based program is for families with children up to age 8 years and is designed around understanding child development, parenting and discipline styles, effective communication, and how to deal with feelings and stress. In this special series, Priscilla and Tia will provide resources, skills and techniques to use when interacting with your children to help you be the best parent you can be!

Dinner and child care are provided!

Child care will be provided by Hallee Jobe and Victoria Armstrong in the new First 5 Playroom!
