

Strengthening Families 5 Protective Factors

April 17 & 18, 2018

9:00 - 4:00pm

Doors open at 8:30am

Presented by **Cailin O'Connor**

Cailin O'Connor is a Senior Associate at the Center for the Study of Social Policy, where she works to promote better outcomes for young children and their families, with a focus on the protective factors that children, families, and communities need to thrive. Cailin's work has addressed a wide range of issues, including adverse childhood experiences, cross-systems coordination, effective prevention strategies, and evidence-informed program improvement. She is a graduate of Macalester College, holds a Master's degree in Human Development and Family Studies and a graduate certificate in Prevention and Intervention Science from the University of Wisconsin-Madison.

Continental breakfast
and lunch are provided!

Tuesday ~ April 17, 2018

Day One - 9:00 - 4:00pm

Introduction to Strengthening Families 5 Protective Factors

We all have a role to play in promoting healthy development and strong families.

Learn about 5 strengths that all families need, and how you can help parents to build these "protective factors" through your daily interactions with children and their families.

This interactive training on the Strengthening Families protective factors framework and approach is open to all child and family service providers and anyone who touches the lives of children and families.

Wednesday ~ April 18, 2018

Day Two - 9:00 - 4:00pm

Training of Trainers ~ Strengthening Families Five Protective Factors

Participants attending the Training of Trainers are required to attend **both** days of training. The second day will equip you to train others in how to make small but significant changes in home visiting, family support and early care and education programs in order to help families build protective factors, including how to use the tools available in the Strengthening Families Evaluation Portal to identify, implement, and evaluate changes in practice.
