

This brand **NEW** CPIN training will focus on:

- Identifying **STEM** components in early childhood settings
- Discuss dynamic, integrated planning for Developmentally Appropriate **STEM** environments and interactions/ conversations
- Discover how this approach includes universal design for learning
- Recognize how this approach supports dual language learners

Every participant will receive a copy of the guide: **“Best Practices for Planning Curriculum for Young Children: The Integrated Nature of Learning”**.

TO ENROLL: Log in to your personal account on the CA Workforce Registry: caregistry.org Use the “Training Search” page, entering the name of your County of choice in the county box and clicking “search”. Then follow instructions to enroll for that date & location.
