

Language & Literacy

Dialogic Reading

This popular and fun CPIN training will focus on:

- Discussing the language & literacy foundations, recognizing the strategies outlined in the framework that use Dialogic Reading.
- Discovering the research supporting dialogic reading.
- Providing time & opportunity to plan Dialogic Reading methods & activities, & then receive feedback while co-learning & practicing with colleagues.

After "Hands On" practice in small groups, every program represented at the training will receive a new book to take back and use with children right away. Some attendees will also receive story extension prop kits as extra individual prizes.

TO ENROLL: Click on one of the links in the county boxes below. It will connect you to the CA Workforce Registry website: caregistry.org Once you are there, login to your account and follow the instructions on the event page to enroll.
