

Nurturing Skills for Families

Facilitated by

Arden Carr, LMFT, MFC27069

This 12-session fun and interactive parenting program focuses on the unique developmental needs of young children and sets the foundation for nurturing and healthy family relationships.

Through weekly parent/child activities and group sessions, parents learn skills in developmentally appropriate activities and expectations, nurturing touch, effective positive discipline techniques, self-nurturing skills, and increase knowledge on helping their children succeed in school.
