

Family Hui

Facilitator Training

Presented by **Lucy Roberts**

What is Family Hui?

Hui (hoo'ee) is a Hawaiian term for a cooperative group working together for a shared purpose. Family Hui is a positive parenting program for families with children ages 0-5 years. Our purpose is to support, encourage, and empower parents and caregivers. We celebrate the joys of parenting while learning to address the stress in healthy ways.

Participants may be invited to partner with First 5 Siskiyou to offer Family Hui groups in their community or program. Family Hui training will equip you with skills to be a peer-led parenting support group facilitator. Groups discuss positive parenting principles that empower parents and caregivers while promoting healthy child development.
