

Nurturing Skills for Parents

Presented in Spanish
by
Monica Quintero

About Our Facilitator

Monica Quintero currently works as a Home Visitor for Shasta Head Start and has more than 8 years professional experience in providing services for children and families and as an English/Spanish translator. She earned a Bachelor of Arts degree in Early Childhood Education from Southern Oregon University and graduated with honors.

This 12-week program focuses on the unique developmental needs of young children and sets the foundation for nurturing and healthy family relationships. Parents learn skills in developmentally appropriate activities and expectations, nurturing touch, effective positive discipline techniques, and self-nurturing skills.
