

Movies with a Purpose

Have you heard about ACEs? (Adverse Childhood Experiences study)

Learn more about ACEs through a special screening of:

First Impressions... Exposure to Violence and a Child's Developing Brain

Narrated by Bruce Perry, M.D., Ph.D.

and

How Childhood Trauma Affects Health Across a Lifetime – TEDMED Talk

Narrated by Nadine Burke-Harris, M.D., MPH

A discussion will follow about the effects of adverse childhood experiences in shaping adult behaviors and health.

Special Guest: Stacey Jackson

Stacey Jackson has worked for the Siskiyou County Probation Department for 19 years and is currently a Supervising Probation Officer and Program Manager for Charlie Byrd's Youth Day Reporting Center. She has extensive professional experience in, and is passionate about, educating others in ways to nurture resiliency and help adapt successfully to adversities and challenges.

Bruce Perry M.D., Ph.D

Nadine Burke-Harris, M.D., MPH

“Adverse childhood experiences are the single greatest unaddressed public health threat facing our nation today.”

~ Dr. Robert Block, former President of the American Academy of Pediatrics

Wednesday, May 15th, 2019

5:30 - 7:30pm

at

Scott Valley Family Resource Center

11920 Main Street, Fort Jones
