**The joy of hands-on art making is brought to life in this FREE special class!**

Together with a parent or caregiver, children will explore a variety of mediums and construct sensory-rich, art pieces to take home. This is a wonderful opportunity to participate in your child's artistic exploration and discovery. All families need social connections for healthy parent and child development. **Why not invite a friend to join you at this fun learning event? Come prepared to get messy!**
