Do you have children ages birth to 8 years old?

Are you looking for ways to reduce stress and have an evening to talk with other parents about parenting topics?

In this 8-week evidence-based parenting class, you will get ideas to support your child's development, deal with discipline challenges, and learn more about communication, self-care, stress, and anger management.

Join other families for dinner, learning, and social connections!

Lego club for 4 years + in the Dance Studio
and child care provided for those under 4 in the Playroom.

RSVP at 493-5117 for this fun, free, and interactive event!
