

Vision, Dental, Hearing and Developmental Screening Day!

- Do you have children ages 2 months to 6 years old?
- Are you interested in learning more about fun ways to help your child learn and grow?
- Are you curious about the health of her teeth and eyes?
- Did you know that skills such as smiling for the first time, waving “bye-bye” and taking a first step are called developmental milestones?
- Do you want to learn more about your child’s developmental milestones?

Dunsmuir Branch Library
5714 Dunsmuir Avenue,
Dunsmuir, CA

Don't miss this fun, interactive day of screening and learning!
Bring your children for the following free screenings and resources:

1. **Vision**
2. **Dental**
3. **Hearing**
4. **Developmental**
5. **Social/Emotional**

Leave with resources and fun ideas to help your child learn, grow and make new friends!

These services are available to all families regardless of income or insurance. Parents or primary caregivers must be with the children for the developmental screenings.

Please register in advance by calling the Dunsmuir Community Resource Center at (530) 235-4400.
