Healthy Serving Ideas
• Slice strawberries into high fiber cereal and calcium-rich lowfat yogurt.
• Blend frozen strawberries with orange juice (or lowfat yogurt) and ice to make a quick and tasty smoothie.
• Add strawberries to a spinach salad.
• Microwave sliced strawberries with a small amount of 100% orange juice to make a topping for pancakes and waffles.
• Strawberries are a tasty snack any time of the day. Just wash them, remove the stem, and enjoy.
• Be a role model – eat breakfast with your child.

BERRY BANANA SPLIT
Makes 1 serving.
Prep time: 5 minutes
Ingredients:
1 small banana, peeled
½ cup lowfat vanilla yogurt
1 tablespoon lowfat granola
½ cup sliced strawberries (fresh or frozen)
1. Cut banana in half lengthwise.
2. Spoon yogurt into a bowl.
3. Place banana halves on both sides of yogurt.
4. Top yogurt with granola and berries. Serve.

Let’s Get Physical!
• Add bicycling to your family’s routine. Bike to school, work, church, and the farmers’ market.
• Take a longer bike ride or hike with your family through a local or state park on the weekend.
• Have each member of your family choose an activity they would like the family to do together.

How Much Do I Need?
• A ½ cup of sliced strawberries is about four large strawberries or one cupped handful.
• A ½ cup of strawberries is an excellent source of vitamin C – providing 81% of the recommended Daily Value.
• Vitamin C helps your body heal cuts and wounds. It also helps your body fight infections and sickness.
• We cannot make vitamin C in our bodies so we need to eat foods rich in vitamin C, like fruits and vegetables.
• Vitamin C is sensitive to air, heat, and water. Do not store fresh fruits and vegetables for long periods of time or over-cook them – or else they may lose some of their vitamin C.

The amount of fruits and vegetables you need depends on your age, gender, and physical activity level. Look at the chart below to find out how much each person in your family needs. Write it down and post in the kitchen. Add a variety of colorful fruits and vegetables to meals and snacks to help your family meet their goals.

Recommended Daily Amount of Fruits and Vegetables*
