Siskiyou Child Abuse Prevention Council
Meeting ~ April 26 ~ 11:30-1:30PM

April is Child Abuse and Sexual Assault Prevention Month. During this month – and all year long – we work with partners to provide evidence-based parenting classes, training opportunities, and activities that expand our knowledge about protecting children, and focus on positive parenting and keeping kids safe.

If you, and/or your organization would like to help with planning and implementing these events to promote awareness of these important messages, please send an email to allaboutthekids@first5siskiyou.org.
