

In this trauma-informed training, Bryan Post will introduce an alternative approach for helping children and youth with emotional regulation and offer recommendations for addressing severe behavioral and emotional challenges.

AN INTRODUCTION

From FEAR to LOVE

SUPPORTING CHILDREN AND ADOLESCENTS
WITH BEHAVIORAL CHALLENGES

PRESENTED BY
Bryan Post

Bryan Post, an adopted and former foster child, is one of America's foremost child behavior and adoption experts and founder of the Post Institute. A renowned clinician, lecturer, and best-selling author of *From Fear to Love*, and 11 other books, and more than 100 video and audio programs, Bryan has traveled throughout the world providing expert treatment and consultation to a variety of groups. An internationally recognized specialist in the treatment of emotional and behavioral disturbance, Bryan specializes in a love-based treatment approach that focuses on developing a deeper understanding of trauma, stress and fear and how they rule our lives.

415 Evergreen Lane, Yreka

How adults respond to a child's behaviors has lasting effects on his or her development, according to the American Academy of Pediatrics (AAP). It shapes how the child thinks, behaves, feels, and interacts with others. Children who have been impacted by trauma need specific approaches to discipline to ensure positive outcomes.
