This unique free program for parents, educators, and caregivers is a fun and educational discussion based on the recently updated book *How to Raise Emotionally Healthy Children ...* by Gerald Newmark, Ph.D.

Information will be provided about how to nourish emotional health at home and at school and satisfy the critical emotional needs that all children have--- to feel respected, important, accepted, included and secure.

Facilitated by:

**Monica Quintero**

**Monica Quintero** currently works as a Home Visitor for Shasta Head Start and has over 12 years of professional experience in providing services for children and families and as an English/Spanish translator. She earned a Bachelor of Arts degree in Early Childhood Education from Southern Oregon University and graduated with honors.

TALK, READ, SING, PLAY, EVERYDAY!
