Join this interactive grandparents/relative raising children group to meet others who are parenting a second time around. The weekly gatherings will include social time while discussing supports, resources and ideas for the unique needs of the children. The weekly information will be based on the core principals of the book from *Fear to Love* by Bryan Post.

Rhi has a Masters Degree in Social Work and has worked as a child welfare Social Worker in Siskiyou County for over five years. She is currently working as a Trauma Support Specialist (TSS) for The LEAF Company, which is a wraparound program for post-adoption families who are struggling or in crisis.
