

# April 2024

## Events and Activities

First 5 Siskiyou, FRCs, and Community Partners invite you to join us in these virtual and in-person classes and activities for parents, caregivers, educators, health care providers, and those who work with children and youth. All of these classes and family events are provided free to participants – for registration information and details about each class, visit <https://first5siskiyou.org/parenting-education-classes/>.

To register by phone for any of these classes, call 530.918.7222.

## WEEK OF THE YOUNG CHILD

APRIL 6-13, 2024

### WHY WE CELEBRATE WEEK OF THE YOUNG CHILD

Your child will astonish you in the early years 0-5! This is a period of dramatic brain development and intense exploration, growth, and learning. What happens in early childhood will lay the foundation for your child's success in school and later life. **The Week of the Young Child** was established by the National Association for the Education of Young Children in 1971. It brings public attention to the needs of young children, their families, and the early childhood programs that contribute to their future success. Join us in celebrating family fun and learning adventures during this special week – and beyond!
