Join other families and experience light-hearted moments and make new friends who understand the joys and challenges of life and parenting. We will discuss social issues children and youth face in the community environment and that involve relationships. We will also share ideas for school success and strategies to address concerns.

ABOUT OUR CO-FACILITATORS

Roxanne Strangfeld is a Senior Deputy Probation Officer for Siskiyou County and says — “The majority of my career has involved making a difference in the life of another human being. There are those that showed up in my life to make me who I am and to honor them is to pass on what they gave to me.”

Tonya Herring has extensive professional experience working with youth and families across the country. She has a passion for strengthening the family unit through education and healing. Tonya holds a Bachelor of Arts degree in Psychology and a Master of Arts degree in counseling and is serving as an at-risk counselor for Yreka Union High School District.
