PARENTING A SECOND TIME AROUND

FOR GRANDPARENTS AND OTHER RELATIVE CAREGIVERS

This free, eight-week program provides insights, strategies, and a welcoming community to help you build a strong, supportive family environment. We will focus on cultivating empathy, nurturing through grief and loss, child development and individual differences, discipline with dignity, self-care techniques, legal concerns, and navigating the teen years.

Facilitated by
Lori Keyser-Boswell

Lori has earned a BA in psychology, a Masters of Divinity Studies. Along with raising her two sons, Lori and her husband were foster parents to two fantastic youngsters and were able to adopt their wonderful daughter. Lori continues to lead a faith community as well as being Chaplain for Madrone Hospice and is a former Program Manager of the Court Appointed Special Advocates (CASA) program at Youth Empowerment Siskiyou (YES).
