

The **Grand** Gathering: Grandparents and Relative Caregivers Social and Learning

Facilitated by

Lori Keyser-Boswell

Lori holds degrees in Psychology (BA) and Divinity (MA). A former foster parent and mother of three, including an adopted daughter, she is deeply rooted in local support services. She currently leads a faith community, serves as Chaplain at Madrone Hospice in Yreka, and previously directed the Youth Empowerment Siskiyou (Y.E.S.) CASA program.

Raising a grandchild or relative's child is a journey filled with courage, humor, and a whole lot of heart. You have said "yes" to stepping back into school routines, "yes" to juggling generations, and "yes" to giving a child the stability and love they deserve.

Join facilitator Lori Keyser-Boswell and a circle of caregivers who truly get it. Enjoy conversation, support, shared wisdom, and resources to help in this new chapter. Come be part of a community that lifts one another up!
