Little Feet, Big Discoveries

FAMILY NATURE WALKS & ADVENTURES

Join First 5 Siskiyou and Mount Shasta Bioregional Ecology Center (MSBEC) for 3 Fall field trips for young kids and their families! No cost to participants.

Join First 5 Siskiyou and Mount Shasta Bioregional Ecology Center (MSBEC) for 3 Fall field trips for young kids and their families! Each outing will feature a storytime, sensory walks and activities, games, and nature journaling to help us awaken our observation of the natural world. All activities can be done as a family and will be designed with a range of ages in mind. We'll explore our local ecology, learn about plants and animals, and how everything is interconnected. *

* Please sign up for more information and in case we need to change the location or reschedule due to weather!
